TRANSPORTATION INDUSTRY

Focused Solutions for the

OUR PROGRAM PROVIDES “ONE STOP SHOP” CHEMICAL SOLUTIONS THAT DRIVE PROFITS THROUGH

- Productivity
- Operational Efficiency
- Customer Experience
Why Zep?
Founded in 1937, Zep has been serving maintenance, repair and equipment/vehicle operators. We:
- Deliver high performance products that work right the first time.
- Understand that time is money.
- Are up-to-date on the VOC regulations.
- Provide local and direct sales reps that are focused upon delivering customer solutions.

Zep Specializes In Transportation Needs
Zep provides a high performance assortment of products and services that transportation companies use every day.
- Heavy-duty degreasers for multiple equipment and tool applications (RTU and concentrated).
- Aerosol penetrants, lubricants, and corrosion protectors.
- Greases for both high performance needs and every-day value.
- Parts Washers and pressure washers backed by a service network.
- Hand care.
- Ground maintenance and support (e.g. insecticides/herbicides).
- We work to earn your business the old fashioned way through service, expertise and great products.

**CHERRY BOMB**

### Heavy-Duty Hand Cleaner with Abrasive

- Uses pumice as abrasive for deep cleaning hands to remove ground in soils, and contains emollients to protect hands from drying out
- Neutralizes petroleum odors
- Key users include maintenance shops, tool and machine shops, truck and equipment repair facilities, etc.

<table>

**CHERRY BOMB TOWELS**

### Heavy-Duty Hand Cleaning Towel

- Powerful abrasive towel removes stubborn industrial soils such as grease, tar, carbon, asphalt, inks, resins, paints and adhesives
- Easy on hands. Enriched with emollients to protect hands by replacing skin oils and preventing dryness
- VOC Compliant — meets all current VOC regulations
- Waterless — used wherever/whenever you have dirty hands

<table>

**CHERRY BOMB LV**

### Heavy-Duty Hand Cleaner with Abrasive for Regulated States

- Powerful Cleaning Action Removes stubborn industrial soils such as grease, tar, carbon, asphalt, inks, resins, paints and adhesives
- Deep Cleaning Pumice scrubs hands to remove ground-in dirt, grease, diesel and other fuels on hands
- Easy on hands. Enriched with emollients to protect hands by replacing skin oils and preventing dryness
- VOC Compliant — meets all current VOC regulations

<table>

**TKO**

### Heavy-Duty Hand Cleaner with Pumice

- Utilizes scrubbing beads to remove ground in dirt and grease
- Uses mild low odor solvents to easily remove heavy soils
- Enriched with Aloe Vera — mild on hands and leaves skin smooth
- Key users include maintenance shops, tool and machine shops, truck and equipment repair facilities, etc.

<table>

**D-4000 PLUS DISPENSER**

### Hand Soap Dispenser

- Constructed of anodized aluminum and reinforced nylon for a durable, versatile unit that is nearly indestructible
- Stainless steel pumping mechanism is resistant to corrosion, rust and abrasion
- 4-position adjustment controls amount being dispensed
- Holds 1 gallon bottle

<table>
<thead>
<tr>
<th>1 Unit</th>

**SHELL SHOCK**

### Heavy-Duty Hand Cleaner with Soy Solvents & Walnut Shells

- Shell Shock is a heavy-duty, soy-based hand cleaner, which uses walnut shells as the abrasive component for cutting stubborn soils such as grease, tar, oil, carbon and others
- Free of petroleum solvents
- Key users include manufacturing plants, fleet maintenance facilities and other facilities where grease and grime are prevalent

<table>

Depending on your location, this product may be restricted for use, could require a use exemption or require dilution to maintain product VOC regulation compliance. Please contact your local Zep Rep to review your application, product choices and the appropriate VOC compliance rules for your area.
MORADO SUPER CLEANER
Heavy-Duty, Multi-Purpose Cleaner & Degreaser
- A concentrated, economical, highly alkaline cleaner and degreaser for extra heavy-duty industrial use
- This product’s powerful formula quickly and efficiently removes a variety of greasy and carbonaceous soils not readily penetrated by ordinary cleaners
- Do not use this on aluminum
- Key users include engine rebuilders, fleet equipment and heavy maintenance and repair facilities, manufacturing plants, machine shops and others

FORMULA 50
Heavy-Duty Alkaline Cleaner
- Formula 50 is a heavy-duty all-purpose cleaner and degreaser with extreme versatility
- Contains a superior proven combination of ingredients that rapidly removes dirt, grease and oil from a variety of surfaces
- When used as directed this product will not harm surfaces, including aluminum
- Key users would include fleet truck maintenance facilities, factory maintenance shops, machine shops and other facilities where a versatile product is needed

**GROOVY V**

**Lubricant and Anti-Seize**
- A heavy-duty industrial grade anti-seize lubricant fortified with copper, aluminum and graphite for metal parts, pipes and threaded fittings in a convenient aerosol package
- Resists washout and salt spray
- Withstands temperature up to 2000°F

12/cs 022101

**GROOVY PASTE**

**Lubricant and Anti-Seize**
- Excellent anti-seize paste composed of quality lubricants, anti-corrosion agents and atomized metal in a special solvent base
- Designed for high-temperature, high-pressure use.
- Water resistant, will not wash off
- Coating withstands temperatures of -65°F to +2100°F

12/cs 068701

**WHITE LITHIUM GREASE**

**Aerosol Grease Lubricant**
- A multi-purpose lubricant for all metal to metal applications
- It can be used for any type of mechanical moving part and as a corrosion inhibitor for all kinds of metal parts.
- Water resistant

12/cs 331701

**DRY MOLY NC**

**Dry Molybdenum Lubricant**
- Provides superior, long-lasting lubrication, under extreme conditions of temperature and pressure
- Convenient aerosol sprays a thin, black coating that adheres readily to most surfaces and dries within seconds
- Contains colloidal-dispersed molybdenum disulfide in a non-oily base
- Micronized molybdenum disulfide
- Dries rapidly
- High temperature tolerant up to 750°F

12/cs 010601

**ZEPLON**

**Dry PTFE Lubricant**
- Concentrated, heavy-duty, long-lasting dry-film lubricant in a handy aerosol can
- This product contains PTFE
- Reduces friction
- Dry film
- Non-staining

12/cs 010601

**ALL PURPOSE HI TEMP GREASE**

**Multi-Purpose, Anti-Spatter Grease**
- All-purpose, high-temperature multi-purpose grease that can withstand heavy impacts and pounding pressures, high temperatures, and anti-splatter
- Superior EP performance
- Hydrogen sulfide resistant
- High temperature formula

**pH PERFECT**

**Concentrated Neutral Floor Cleaner**
- Low-foam, general-purpose cleaner designed for cleaning most flooring surfaces. Excellent for use in automatic floor scrubbers. Rinses easily, leaving a film-free surface. Neutral pH will not harm floor finishes
- Controlled alkalinity coupled with powerful cleaning action makes this an ideal product for both manual and automatic scrubbing of floor finishes
- Cleans and leaves a pleasant, fresh fragrance behind
- Excellent floor cleaner but can also be used to clean equipment, walls, work surfaces, and other surfaces
- Highly concentrated with dilutions of ½ oz to 2 oz per gallon of water
- Contains only biodegradable detergents and emulsifiers

**POWDER KEG**

**Premium Truck and Car Wash Detergent**
- Removes exhaust deposits, mud, grime, and road film from painted truck, car, and trailer surfaces in one application, without brushing
- Formulated with no harsh caustics, acids, or solvents
- Best results achieved by pressure-washer cleaning
- Rinses easily to prevent spotting and streaking
- May also be used as the second step in a two-step washing process
- Contains no phosphates, caustics, or acids – Non-corrosive
- All detergents in the product are biodegradable, making it more environmentally-friendly.

LUSTER WASH
Wheel and Tire Cleaner
- High Foaming – formulated to produce stable foam when mixed with compressed air in foam generating CTA equipment
- Concentrated – dilutes with up to 25 parts water for economical use
- Rinses freely and completely
- Heavy-duty – penetrates and loosens road and brake dust on all types of wheel surfaces
  
**NOTE:** Use caution when applying this product to aluminum or magnesium wheels as damage may occur. Do not apply this product to the painted surfaces of the vehicle. In the event of conveyor failure, rinse the product from surfaces immediately.

Air Care
- No dilution required. No waste. No spillage. Comes with trigger sprayer for handling ease.
- Environmentally Preferred — this product is part of the Zep GreenLink® line. It is non-corrosive, and contains no phosphates or carcinogens.
- Eliminates odor from stale cigarettes and cigar smoke, body wastes, food spillage, garbage, cooked foods, perspiration, pets, and fire damage
- Deodorant Boosters — an ounce or two added in mop bucket or carpet shampooer solution tank will impart a pleasant fragrance to the area being cleaned.

**KLEAR**

**Concentrated Liquid Windshield Wash**
- A concentrated liquid windshield washer fluid, anti-freeze and cleaner
- Improves visibility and can be used year round to keep windshields clean and free of dirt, road film, slush and salt
- Aids in the removal of frost, snow, and ice, even at sub-zero temperatures – keeps washer systems from freezing, cracking and breaking

12 qt/cs 062911
4-1 gal/cs 062924
5 gal 062935
20 gal 062950
55 gal 062985

---

**PROFESSIONAL RUBBERIZED COATING**

**Protective Undercoating**
- Premium quality, aerosol rubberized coating which provides outdoor protection for a variety of surfaces, and insulates against unwanted noise
- Dries quickly
- Prevents rust – Paintable

12/cs 028901

---

**Zep 50**

**Heavy-Duty Foaming Engine Degreaser**
- Contains a blend of solvents and emulsifiers to cut through heavy grease
- Stable foam clings to vertical surfaces, extending contact time
- Rinses easily and completely with water or steam.
- Does not contain methylene chloride, perchloroethylene or trichloroethylene (TCE)
- Each case includes a packet of jet stream nozzles for directional spraying

12/cs 015001

**Zep 50 LV**

**Heavy-Duty Foaming Engine Degreaser** for Regulated States
- When applied to the wheel rim and tire bead; will greatly ease the mounting of tires to the wheel rims. Biodegradable.
- Lubricates to better fit tire and rim
- Safe for use on all tires and rim types

4-1 gal/cs 039324

---

**START**

**Aerosol Starting Fluid**
- A specially formulated aerosol starting fluid to aid in the starting of gasoline or diesel engines
- Helps save batteries – Non-corrosive
- Versatile – may be used on various engine types

12/cs 030601

---

**AUTOMOTIVE AIR CONDITIONER FLUSH**

**AC Flush**
- A fast-evaporating product designed to assist in the removal of particulate debris, oils, and moisture from AC systems.
- No chlorinated solvents – No ozone depleting compounds
- Leaves no residue

4-1 gal/cs 078824

---

**DIESEL FUEL ADDITIVE**

**Diesel Fuel Treatment**
- Blend of solvents, emulsifiers, lubricants, and corrosion inhibitors that dissolve and remove sludge and fuel deposits from storage tanks, fuel lines, pumps, filters, and burners
- Solubilizes the heavy oils and waxes that form sludge and deposits
- Meets requirements for ultra low sulfur fuels
- Keeps fuel free flowing at low temps
- Does not interfere with oil/water separators

12 qt/cs 058311
6 gal 058336

---

**TIRE MOUNT LUBE**

**Wheel and Rim Lubricant**
- May damage painted surfaces and some plastics.

4-1 gal/cs 039324
FAST GASKET RED
Gasket Maker - Red

- Handy silicone replacement gasket tool that makes any size or shape gasket to replace cork, paper, asbestos, felt or metal gaskets
- Made from 100% silicone
- Temperature range: -60°F to 550°F
- Stable for hot engine oil and Glycol anti-freeze

12/cs
143201

FAST GASKET BLACK
Gasket Maker - Black

- Black silicone rubber bonding and sealing compound in a convenient pressurized package with "easy-dispensing" nozzle
- Replaces any size/shape gasket of any material
- Handy, 100% silicone replacement gasket maker
- Temperature range: -60°F to 450°F

12/cs
143301

FAST GASKET BLUE
Gasket Maker - Blue

- A blue silicone rubber bonding and sealing compound in a convenient pressurized package
- 100% silicone provides permanent flexibility and adhesion
- Effective temperature range is -60°F to 450°F
- Produces a fine bead, at the touch of a finger, for neater jobs and less waste
- No caulking gun or squeeze tube needed

12/cs
143501

FAST GASKET CLEAR
Gasket Maker - Clear

- A clear silicone rubber bonding and sealing compound in a convenient pressurized package
- 100% silicone provides permanent flexibility and adhesion.
- Effective temperature range is -60°F to 450°F
- Produces a fine bead, at the touch of a finger, for neater jobs and less waste
- No caulking gun or squeeze tube needed

12/cs
143001

HIGH STRENGTH THREADLOCKER (red)
Thread-locking Adhesive and Sealant

- Seals against leakage around threads and eliminates the loosening of bolts. Prevents rust and corrosion and fills threads completely, preventing shrinking.
- Use for fasteners up to 1 in diameter
- Consistently allows gap filling up to 0.007 inches
- Large temperature range from -65°F to 300°F

12/cs
680801

REMOVABLE THREADLOCKER (blue)
General-purpose Thread-locking Adhesive & Sealant

- General-purpose medium-strength thread-locking adhesive and sealant for fasteners between 1/4 to 3/4 diameter
- Locks fasteners and prevents movement of screw threads
- Eliminates the loosening of bolts, but allows for removal when necessary with the use of hand tools.
- Prevents rust and corrosion
- Large range of temperature applications from -65°F to 300°F

12/cs
680901
Brake cleaning is one of the most competitive segments. This system offers a superior way to cut your cost of business by providing a cost effective and "environmentally aware" solution!

CUSTOMER PROFILE:
Purchases 10 or more cases of aerosol brake cleaner per month

PROGRAM BENEFITS:

Lower Cost-in-Use
- Up to 40% savings vs. aerosol
- 1 drum = 450 cans (15 oz)
- E-key manages drum inventory with re-order notifications
- Control shrinkage
- Equipment at no charge

Improved Productivity & Efficiency
- Ergonomically designed sprayer
- No need to crush and dispose of aerosols
- Proper fill and charge of specially designed 24 oz. sprayer

Environmentally Conscious
- Eliminate up to 5400 cans annually from waste stream
- Aerosol usage/CFC's reduced from atmosphere

Program Terms

- Free equipment (Shurfill Unit & 5 Sprayers) with 4 Drums annually and a 5 year agreement
- Free equipment (Shurfill Unit & 8 Sprayers) with 6 Drums annually with a 4 year agreement
- Free equipment (Shurfill Unit & 10 Sprayers) with 8 Drums annually with a 3 year agreement
**DYNA 143**

**Solvent Degreaser**
- Low evaporation rate and vapor pressure assure minimal evaporative loss
- Higher flash point (143°F) as compared to mineral spirits (107°F), reduces flammability hazards of solvent use in the shop area and store room
- Economical, as it uses virgin solvent — when used in a filtered Zep parts washer, such as the Dyna Brute FB, the solvent is continuously recycled, while particles and oils are trapped in filters for disposal — this also alleviates the need to have waste solvent picked up and disposed of on a regular basis

**DYNA CLEAN**

**Heavy-Duty Parts Washer**
- Designed to reduce the generation of hazardous wastes and reduce or eliminate the need for expensive liquid hazardous waste removal. Multi-stage filtration allows solvent to remain effective for extended periods. Spring-loaded safety lid closes automatically in the event of a fire, and allows for easy opening and closing during normal use.
- Constructed of durable, heavy-gauge steel
- Submersible pump provides steady delivery of cleaning solvent through an adjustable flex-spout
- Separate hose-barb provided to accommodate installation of an optional Dyna Trap Filter Bag
- Each unit comes with a 30-gallon drum pedestal and Model 5100 Filtration System
- Also included: parts cleaning brush, plastic sink strainer, and magnetic rubber drain stopper

**DYNA-100 FB**

**Agitating-Lift Parts Washer**
- The Zep Dyna-100 FB is one of the largest agitating parts washers available
- Tank capacity: 85 1/4 gallons @ .75 freeboard ratio or 138 gallons @ .50 freeboard ratio (max fill)
- It features full Dyna-Filtration with two Model 5100 particulate filters and a connection for a Dyna-Trap filter bag (not included)
- Labor saving agitating platform cleans automatically without human hands with a handy flow through brush for manual cleaning of stubborn areas
- The Dyna-100 FB is the ideal selection for fast efficient cleaning of large, heavy dirty and greasy parts.

**SUPER-BRUTE FB**

**45 Gallon Capacity** (overall dimensions 47.25”x24.125”x35.5”)

**Heavy-Duty Parts Washers**
- Compliant with OTC Freeboard Regulation
- Uses Model 5100 filtration system with a filter change indicator to signal when the 5100 filter needs to be changed
- Designed for use in industrial plants, engine repair shops, machine shops, engineering departments, transmission shops, automotive repair facilities and service stations

Please refer to www.zepequipment.com for more parts washer options.
PEAT SORB
Hydrocarbon Absorbent
• Peat Sorb will work with the full range of oil-based products from crude oil, gasoline, PCB’s, coal tars, fatty acids, hydrocarbon based inks and will solidify and absorb resins
• Non-abrasiveness makes it safe for use around machinery
• Key users would include fleet vehicle maintenance facilities, machine shops, heavy equipment maintenance facilities, maintenance shops and metal fabricators

OIL ONLY ABSORBENT PADS
Pad Absorbent for Petroleum-based Liquids
• Absorbent pad designed for use on petroleum-based liquids only
• Made of high-quality, bonded polypropylene.
• 16” x 18” pad size
• Will skim oil from water surfaces
• Can be used with oil/water separator

100/cs 229901

ULTRAWIPES
Large Blue Cloth Wipers
• Solvent-resistant lint-free non-woven cloth is excellent for glass, chrome, metal, and vinyl surfaces
• Use again and again for hands, tools, and equipment
• Can be used wet or dry

450 sheets/cs 895601

Rapid Sorb Pads
Universal Absorbent Pad
• Universal Absorbent
• 16” x 18” pad provides continuous pick-up of spilled or leaking liquids
• Made of surfactant-treated, bonded polypropylene, the pad absorbs up to 15 ounces of water- or oil-based liquids.

100/cs 229401

ZEP-O-ZORB
Granular Absorbent
• Will not react with strong oxidizers, acids, and other chemicals
• Picks up 115-140% of its weight of water and 105-115% of its weight of oil
• Absorbs oil and grease before it can soak into concrete or wood.
• Picks up spilled flammable liquids and “locks them up”, thus reducing fire hazards
• Applied to icy or wet floors, it reduces slip hazards by providing a rough, non-slide surface to walk
• USDA authorized
• Authorized for use as an absorbent or anti-slip agent for spot applications to floors in federally inspected meat and poultry processing plants

## ANTARCTICA CMA

### Ice Melt with CMA (Calcium Magnesium Acetate)
- Made with calcium chloride flakes, which makes it one of the fastest acting ice melter on the market.
- It will not leave an oily residue that can be tracked onto carpets or floors staining or attacking them
- Allows the bag to stand up for easy access
- The active ingredients in Antarctica with CMA allows it to attack the snow and ice with instant heat

## Zep 40

### Non-Streaking Cleaner for Non-Conductive Surfaces
- Rapidly removes dirt, film, fingerprints, tobacco smoke, grease and a variety of other oily and water-soluble soils
- Cleans almost any surface not harmed by water
- Designed especially to eliminate low temperature streaking problems
- Contains no phosphates or fluorocarbon propellants
- U.S.D.A. Applicable

<table>

ZEPYDYNAMIC A II

Phenolic Aerosol Disinfectant and Deodorant

- Disinfects thoroughly and rapidly kills bacteria, viruses and fungi on environmental surfaces. Reduces the hazards of cross infections
- Deodorizes and leaves a pleasant citrus fragrance behind
- Bactericidal — Kills both gram positive and gram negative bacteria including Pseudomonas aeruginosa, Salmonella enterica and Staphylococcus aureus
- Tuberculocidal — Kills the species: Mycobacterium Bovia
- Virucidal — Inactivates these agents: HIV-1, Herpes Simplex Types 1 and 2, Influenza A2 England Virus and Pandemic 2009 H1N1(swine)
- Fungicidal — Kills Trichophyton mentagrophytes (athletes food fungus)

12/cs
351501

NOTE: This product is to be used on hard, non-porous surfaces only. See label for full list of claims.

WASP AND HORNET KILLER

Solvent Knockdown Spray

- Insects are killed on contact
- Jet Blast The spray projects 22 feet to ensure a safe distance during application
- Provides a complete kill to wasps, hornets and yellow jackets
- High Dielectric Strength – Nonconductive up to 47,300 volts

12/cs
028401

DUMPSTER FAIR

Industrial Odor Counteractant

- Just sprinkle Dumpster Fair on malodor—N0 mixing—N0 mess
- Biodegradable, contains no solvents, VOC compliant, non-acidic, non-caustic
- Pleasant pleasant fragrance
- Very concentrated so a little goes a long way
- Contains citronella oil — helps keep insects away from refuse areas
- Easy Disposal — just sweep and throw away

DURA SHOT™ SPRAYERS

Pressurized Liquid Sprayer
- Lightweight anodized aluminum reduces fatigue
- Easy fill
- Twist off cap (no tools required)
- Sprays in vertical and horizontal position
- 24 oz. capacity

DURA SHOT SP00221 (blue)  DURA SHOT S* SP00228 (black)

SHURFILL PRESSURE FILL SYSTEM

Pressurized ShurFill for DURA SHOT S (SP00228)
- Built-in grounding cable for safety
- Convenience of aerosol dispensing with cost savings of a bulk product
- May be used with 1-gallon, 5-gallon, 20-gallon and 55-gallon product sizes
- Quick disconnect for air compression hook up

1 ea: L90801

SAFETY DRUM PUMP

For dispensing cleaner directly from drums
- Fits 2” drum openings
- Easily adjustable for 20, 35 and 55 gal. drum sizes

1 Pump: 679701

SAFETY PAIL PUMP

Pail Dispenser for Flammable Liquids
- Steel drum pump equipped with necessary flash suppressor and grounding clamps to safely conduct any static charge from product and containers when being used
- Pump dispenses eight ounces per stroke
- Allows flammable solvents to be pumped safely and easily

1 Pump: F65701

MODEL 481 FOAMER

Hose-End Foaming Sprayer
- Pistol grip spray gun has built in disconnect coupling to easily rinse surface after applying foam
- Change dilution ratios by using individual metering tips (included)
- Holds 96 ounces of concentrate

1 ea: 834701

DURA SHOT* SP00221 (blue)  DURA SHOT S* SP00228 (black)

*For use with the Zep ShurFill Pressure Fill System (L90801)

ZDS SYSTEM

1, 4 and 4+1 Product Bulk Fill Dispensers
- Part of Zep Dilution Solutions (ZDS), these unique chemical mixing systems provide simplicity, safety and one-handed convenience
- Designed for use in any institutional or industrial application where safe and accurate chemical dispensing is necessary
- Modular design allows conversion to another configuration with just a few snap-on parts
